Unigroup is one of the oldest and largest UNIX users groups serving the Greater New York regional area. Unigroup is not-for-profit, vendor-neutral, and member funded. Unigroup holds regular and special event meetings throughout the year on technical topics relating to UNIX and the UNIX community.

Membership in Unigroup offers career-enhancing benefits, including:

- Informative and important presentations at bi-monthly and special meetings.
- Complimentary passes to trade shows, like PC EXPO, and Fall InterNet World,
- Member discounts including books, hardware, and Internet access.
- Networking with fellow professionals.
- Joint membership with Uniforum, a international UNIX Users group offering significant savings. Uniforum also offers an extensive suite of member benefits.
